

IMC's Space Programme

IMC's Space Programme is a direct artist support to provide a suitable space where artists can develop their craft and practise together without having to take on the financial burden of renting their own premises.

In **V1 of IMC's Space Programme**, we're partnering with **The Bunker**, a multi-use rehearsal and studio space on **Talbot St, Dublin 1**.

What is the Space suitable for?

The space is intended for use by duos, trios, bands and ensembles to:

- Rehearse
- Write together

- Shoot Video
- Shoot Photos

What is the Space NOT suitable for?

As we have limited slots available each week, the Space is **NOT** intended for use as a **Solo Practice** space. We want to encourage more collaboration and to prioritise groups using the space.

The Space is **NOT** currently suitable for **public performances of any kind**. This may change in future iterations of the programme.

What is the capacity?

The Space is suitable for up to **15 musicians** and has 2 adjoining rooms which can be used in tandem.

What times/days can I book in? Is there a limit to the number of hours I can book?

The Space will be available to book from **11am to 8pm on Sundays** and **10am to 10pm on Mondays**. Tuesdays - Saturdays are unavailable. There is a **maximum of 8 hours total time** available to book on each day.

Members can book a slot (**minimum 2 hours, maximum 4 hours**) and can book a **maximum of 16 hours over each 30 day period**.

How far in advance of my booking should I book?

Bookings can be made up to 30 days in advance. All bookings **must be confirmed** at least **4 days (96 hours)** in advance.

Is there a full backline in place?

Yes! Details of the backline available to use can be found here ←-LINK
